Sergio Torrico

Curriculum Vitae

✉ *torrico.2005897@studenti.uniroma1.it*

Education

Starting Nov. 2026 **Ph.D. in Mathematics**, *Università degli Studi di Roma Tor Vergata*, Rome, Italy.

2024–Oct. 2026 **M.Sc. in Mathematics**, *La Sapienza, Università di Roma*, Rome, Italy.

- Relevant Coursework: *Algebraic Topology, Lie Theory, Commutative Algebra, Combinatorics*.
- Weighted grade average: 29.19.
- Thesis: *Convexity in Symplectic Geometry: Moment Mapping and Toric Manifolds*, Supervisor: Guido Pezzini.

2021–2024 **B.Sc. in Mathematics**, *La Sapienza, Università di Roma*, Rome, Italy.

- Final grade: *110/110 cum laude*.
- Thesis: *Riemann Surfaces covering*, Supervisor: Gabriele Mondello.

2016–2021 **Scientific High School Diploma**, *Liceo Scientifico A. Landi*, Velletri, Italy.

- Final grade: 100/100 cum laude.

Experience

Sept. 2026–Oct. 2026 **Tutor**, *Math pre-courses*, La Sapienza, Università di Roma, Rome, Italy.
Led preparation courses and tutoring sessions for students with Additional Educational Obligations (OFA).

Sept. 2025–Feb. 2026 **Tutor**, *Linear Algebra Course for Statistical Sciences*, La Sapienza, Università di Roma.
Led exercise sessions and assisted Professor Enrico Casadio Tarabusi and Professor Lorenzo Foscolo.

Honors & Awards

2026 **Percorso d'Eccellenza (Excellence Program)**, Department of Mathematics 'Guido Castelnuovo', Sapienza University of Rome, Rome, Italy.
Selective honors track for top-performing students in the Master's degree. Worked with Prof. Federico Pellarin studying the Weil conjectures.

2022–2024 **Percorso d'Eccellenza (Excellence Program)**, Department of Mathematics 'Guido Castelnuovo', Sapienza University of Rome, Rome, Italy.
Selective honors track for top-performing students in the Bachelor's degree.

2020 **Qualifier**, *Italian Mathematical Olympiad — National Round*.
Qualified for the national final round on a competitive basis.

2017–2020 **Qualifier**, *Italian Student Logical League — National Round*.
Qualified for the national final round on a competitive basis both individually and team.

Conferences

2025–2026 **Participant**, *Math Talks*, Sapienza, University of Rome, Rome, Italy.

2022 **Participant**, *Baby AG seminars*, Sapienza, University of Rome, Rome, Italy.

Skills

Programming C++, Python, MATLAB, LaTeX, HTML.

Languages Italian (Native), English (Proficient, C1, IELTS band: 8), Spanish (Basic, A2).
